

# For years, the jury was out on Speech Recognition.

Now, it's an open-and-shut case of greater productivity.  
Ask WahlTek to show you how.

**Greater productivity.  
Lower administrative costs.  
Faster turnaround time.**

**Speech Recognition is here, it's proven,  
and we can put it to work for you now.**

**C**ombine the simplicity and reliability of the Olympus DS-4000 Digital Voice Recorder with the accuracy of Dragon NaturallySpeaking speech recognition software. Together, they enable you to dictate correspondence and documents — and have them back in just minutes!

Never again will you need to hire additional staff just to process dictation. Whether yours is a solo practice or a large, multiple-partner firm, you will enjoy greater productivity and efficiency with this attorney-proven system from WahlTek, Inc. And you can take that to the bank!

**Call today for a demonstration in your office.**
